

## How to Label Your Artwork for an Exhibition

You've just completed a fantastic piece of artwork for a juried show or exhibition.

Congratulations! But how are you going to pass on the details of the works to the gallery staff and the visitors? There are several different options for labeling your work in this setting, but here is the clearest way to convey those details:

- The artist's name
- The title of the work
- The medium of the work
- The size of the work
- The price of the work (if applicable)
- Always print neatly as others have to be able to read it

Here is an example:

Emily Carr  
Autumn in France  
Oil on canvas  
73.7 cm × 92.1 cm (29 in × 36¼ in)  
\$300,000
